PREFACE.

THIS, the third volume of the second edition of the Bombay Code, contains the unrepealed Acts of the Governor of Bombay in Council from 1881 to 1895, with a chronological table showing as far as possible how each Act has been repealed or otherwise affected by legislation.

2. A short index is appended to the volume.

3. The volume is based on official copies of the Acts preserved in the Legislative Department. Though it cannot be described as "authoritative," its accuracy is guaranteed by the Legislative Department.

4. The following changes have been made in reprinting the Acts :—

- (a) repealed matter has been omitted, explanatory notes being inserted; or, where this was not practicable, the repeal has been mentioned in a foot-note;
- (b) amendments made by later Acts have been inserted in the text of the Act amended, with explanatory foot-notes; or, where this was not practicable, the amendment has been mentioned in a foot-note;
- (c) in the case of mere amending Acts, only the titles; or the titles and the preambles, have been printed, a note being inserted to explain that the amendments are incorporated in the principal Act as printed in the Code;
- (d) references to repealed Acts have been altered as directed by the Act which effects the repeal, explanatory foot-notes being added; or, where this

was not practicable, an explanation has been given in a foot-note ;

- (e) the number and year of enactments referred to in the text have been noted in the inner margin, except where both appear in the text ;
- (f) section-numbers occurring in the text have been uniformly printed in figures, instead of in words ;
- (g) the marginal notes have in some cases been revised ;
- (h) a table of contents has in some cases been inserted ;
- (i) words belonging to Oriental languages have been uniformly spelt ;
- (j) lengthy sections have sometimes been divided into clauses and paragraphs ;
- (k) the headings to the pages have been amplified ;
- (l) some foot-notes, in addition to those mentioned in clauses (a), (b) and (d) above, have been added for convenience of reference.

5. In reading this volume it should be borne in mind that sections 3 to 12 (both inclusive) of the Bombay General Clauses Act, 1886 (Bombay Act III of 1886), have been declared by section 13 of that Act to apply to all Acts of the Governor of Bombay in Council, whether passed before, during or after the year 1886.

7. The volume has been corrected up to the 18th March, 1896.

CHRONOLOGICAL TABLE OF ALL ACTS OF THE GOVERNOR OF BOMBAY IN COUNCIL FROM 1881 TO 1895.

[With respect to the entry of repealing enactments in the fourth column the practice has been as follows :--
 (a) where an Act has been totally repealed more than once, the latest repealing enactment has alone been entered ;
 (b) where an Act has been partially repealed and afterwards totally repealed, the total repeal only has been entered : a repeal of the unrepealed portions of an Act is treated as a total repeal ;
 (c) partial repeals covered by later partial repeals have not been entered ;
 (d) local repeals covered by later local repeals have not been entered ;
 (e) where an Act has been locally repealed and afterwards repealed by an Act whose operation is unrestricted, the later repealing Act has alone been entered.]

special cases.
Tolls on
troops.

44. The Board may, in special cases, with the previous sanction of Government, remit the whole or any portion of any toll, due, rate or charge leviable under the last preceding section.

45. The tolls, dues, rates and charges prescribed under section 43 shall not be leviable in respect of any vessel employed by Government solely for the transport of troops nor in respect of the baggage or other effects of any troops landing or embarking at the port.

In lieu thereof, a toll shall be payable by Government to the Board on all troops and all the families of troops landing or embarking at Karachi, at the rate of one rupee per head.

Board's lien
for tolls and
charges.

46. For the amount of all tolls, dues, rates and charges leviable under this Act in respect of any goods, the Board shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates and charges are fully paid.

Tolls, dues, rates and charges in respect of goods to be landed shall become payable immediately on the landing of the goods, and, in respect of goods to be removed from the premises of the Board or to be shipped for export, shall be payable before the goods are removed or shipped.

The lien for such tolls, dues, rates and charges shall have priority over all other liens and claims, except a lien for freight, primage and general average, where such lien has been preserved in the manner hereinafter provided, and a lien for money payable to Her Majesty or the Secretary of State for India in Council under any law for the time being in force.

Owner's lien
for freight.

47. If the master or owner of any vessel, at or before the time of landing from such vessel of any goods at any wharf, quay, stage, jetty or pier, gives to the Board notice in writing that such goods are to remain subject to a lien for freight, primage or general average of an amount to be mentioned in such notice, such goods shall continue liable, after the landing thereof, to such lien.

Such goods shall be retained either in the warehouses and sheds of the Board, or, with the consent of the Chief Officer of Customs, in a public warehouse, at the risk and expense of the owner of the said goods, until the lien is discharged as hereinafter mentioned.

[a] See Notification No. 75, dated 30th October, 1888, in Bombay Government Gazette, 1888, Pt. I, p. 858, and later notifications.

[b] Printed *supra*, p. 5.

(V.—Of the Powers and Duties of the Board. Secs. 48-50.)

48. Upon the production to any officer appointed by the Board in that behalf of a document purporting to be a receipt for, or a release from, the amount of such lien, executed by the person by or on whose behalf such notice has been given, the Board may permit such goods to be removed without regard to such lien: Provided they shall have used reasonable care in respect to the authenticity of such document.

Discharge of ship-owner's lien for freight.

49. Whenever goods which have been landed have, without any default on the part of the Board, been left for five clear days on or in any wharf or shed belonging to the Board, the Board may cause such goods to be removed either to any warehouse belonging to them, or, with the consent of the Chief Officer of Customs, to a public warehouse; and the removal to and detention in any such warehouse shall be at the risk and expense of the owner of the said goods.

Goods may be removed to a warehouse.

Whenever any goods are so removed, the Board shall give notice of such removal to the consignee of such goods or to his agent, if any, if such consignee's or agent's address be known, by letter sent by post to such address or left thereat; and shall also publish in the Sindh Official Gazette and in two local newspapers notice of such removal, and shall specify therein the numbers, marks and descriptions of such goods so far as the same appear; and the consignee of such goods, in addition to the expenses of the removal of the same, shall be liable, in case the goods are removed to any warehouse of the Board, to a charge for warehousing for the time during which the goods shall remain in the said warehouse.

If the goods are removed to a public warehouse, the said consignee shall be liable to the charges for warehousing goods in such public warehouse; and the said goods shall remain subject to all liens to which they would have been liable if they had remained in the possession of the Board and shall be subject to the power of sale hereinafter given.

50. If the tolls, dues, rates and charges payable to the Board under this Act in respect of any goods which have been landed are not paid, or if the lien for freight, primage or general average, where such notice as aforesaid has been given, is not discharged, the Board may, and in the latter event, if required by or on behalf of the person claiming such lien for freight, primage or general average, shall, at the expiration of four months from the time when the goods were placed in their custody, sell by public auction the said goods, or so much thereof as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

Recovery of tolls and charges by sale of goods.

(V.—Of the Powers and Duties of the Board. Secs. 51-52.)

Before making such sale at least ten days' notice of the same shall be given by publication thereof in the Sindh Official Gazette and in two local newspapers.

Provided that, if such goods are of so perishable a nature as, in the opinion of the officer appointed by the Board in that behalf, to render early or immediate sale necessary or advisable, the Board may, within such period, being not less than twenty-four hours after the landing of the goods, as they think fit, sell by public auction the said goods or such portion of them as aforesaid, in which event such notice, if any, shall be given to the consignee of the goods or his agent as the urgency of the case admits of.

51. The proceeds of every such sale shall be applied as follows:—

- (b) in payment, according to their respective priorities, of the liens and claims excepted in section 46 from the priority of the lien of the Board;
- (c) in payment of the tolls, dues, rates and charges of landing, removing, storing or warehousing the same, and of all other charges due to the Board in respect thereof.

The surplus, if any, shall be paid to the importer or owner of the goods, or to his agent, on his applying for the same: Provided such application be made within one year from the sale, or reason be shown to the satisfaction of the Board why such application was not so made, and, in case such application shall not be so made nor reason shown, such surplus shall be held by the Board upon trust for the purposes of this Act.

53. If the Board shall give to the officer of Government, whose duty it is to grant the port-clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates, charges or penalties chargeable under this Act, or any bye-laws or orders made in pursuance hereof, against such vessel or the owner or master of such vessel, in respect thereof, such officer shall not grant such port-clearance until the amount so chargeable shall have been paid.

Municipal Election Roll.

Preparation
and revision
of list of per-
sons qualified
to vote.

19. (1) [a] On or before each first day of October, [a] the Commissioner shall prepare a list of persons appearing to be entitled to be enrolled in the municipal election roll as voters of wards, justices and fellows respectively.

(2) The arrangement of the list shall be alphabetical and it shall be in three parts, namely, for voters of wards, justices and fellows, respectively, and may be otherwise sub-divided as the Commissioner shall from time to time deem convenient.

(3) The list of voters of wards shall be made in separate lists, called ward lists, one for each ward into which the city is divided as hereinafter provided, containing the names of persons entitled to be enrolled as voters of that ward. The ward lists and the list of justices and the list of fellows shall be collectively deemed to constitute one list.

(4) In preparing the ward lists the Commissioner shall enter therein the names of the persons who have been assessed to the qualifying tax, whether such persons be individuals, companies, firms, undivided families or other associations or bodies of individuals, and shall also enter the names of persons who have been assessed as the trustees of any building or land.

(5) If individual members of any company, firm, undivided family or other association or body so entered, or if trustees whose names are so entered, have been assessed on their own separate account to the qualifying tax, the Commissioner shall enter their names in the list separately.

(6) The Commissioner shall publish the list, prepared as aforesaid, by causing a printed copy thereof to be fixed for public inspection in a conspicuous position on every Municipal Office on or before the ninth day of October and to be kept so fixed during the remaining days of October. Printed copies thereof shall also be delivered to any person requiring the same, on payment of such reasonable fee for each copy as shall from time to time be prescribed by the Commissioner, with the approval of the standing committee, in this behalf.

(7) On or before each 10th day of October, the Commissioner shall give notice by advertisement in the local newspapers of the publication of the said list and of the place at which and the fee for which copies of it may be obtained.

(8) Every person whose name is not in the list so published and who

[a] Portion repealed by Act XVI of 1895 is omitted.

(Chap. II.—The Municipal Constitution. Sec. 19.)

claims to have it inserted therein shall, on or before the first day of November, give notice in writing of his claim to the Commissioner.

(9) Every person whose name is in the list may object to any other person as not being entitled to have his name retained therein. Every person objecting shall, on or before the first day of November, give to the Commissioner and also give to the person objected to, or leave at his last known place of abode, notice in writing of the objection and of the nature thereof.

(10) If the name of any person is entered as a voter in more than one ward list, he may, by notice in writing, which he shall give to the Commissioner on or before the first day of November, choose for which one of those wards he shall be entitled to vote.

(11) If the name of an undivided family or of any association or body of individuals, other than a company or firm, has been entered in the list, or if the names of trustees, being two or more in number, of any building or land have been so entered, any one individual person duly authorized in this behalf by the members of such family, association or body or by such trustees may, by notice in writing, which he shall give to the Commissioner on or before the first day of November, apply that his name be entered in the list as the representative, for the purposes of the list, of such family, association, body or trustees.

(12) The Commissioner shall, on some one of the first ten days of November, revise the list prepared as aforesaid.

(13) He shall for this purpose hear the claims, objections and applications which have been duly made as aforesaid in open office, giving three clear days' notice of the holding of the inquiry by written notice served upon each claimant, person objecting and applicant and upon each person objected to, and also fixed on some conspicuous place in every municipal office.

(14) The Commissioner shall insert in the list the name of every person who has duly claimed to have his name inserted therein and whose claim is proved to the Commissioner's satisfaction.

(15) The Commissioner shall expunge from the list the name of every person proved to his satisfaction to be dead and may correct any clerical error or omission in the list.

(16) Subject as aforesaid, the Commissioner shall retain in the list the name of every person to whom objection has not been duly made.

(17) The Commissioner shall also retain therein the name of every person objected to, unless the objector appears by himself or by some other person duly authorized by him in this behalf in support of the objection.

(Chap. II.—The Municipal Constitution. Sec. 20.)

(18) Where the objector so appears, the Commissioner shall require proof of the qualification of the person objected to, and if within such reasonable time as the Commissioner, subject to the provision of sub-section (22), fixes in this behalf, such person's qualification is not proved to his satisfaction, shall expunge his name from the list.

(19) The Commissioner shall not retain the name of one person in more than one ward list. If any person whose name has been entered in more than one ward list has not chosen as aforesaid, the Commissioner shall determine for which one of those wards he shall be entitled to vote. But this shall not be deemed to prevent the names of individual members of companies, firms, undivided families or other associations or bodies, or of persons, who are trustees, which have been separately entered in the list under sub-section (5), from being retained on the list for one ward each, in addition to the names of the companies, firms, undivided families or other associations or bodies of which they are, respectively, members, or in addition to the names of the trustees, as the case may be, if such individuals or persons are entitled on their own separate account to have their names so retained.

(20) The name of one person may be separately entered and retained by the Commissioner in the list as a voter of a ward and as a justice and as a fellow, or in any two of those capacities, if such person is entitled to be enrolled in the municipal election roll in all or both such capacities, as the case may be.

(21) If no individual person has applied as aforesaid to have his name entered in the list as the representative of an undivided family or other association or body, not being a company or a firm, or of two or more trustees of any building or land, the Commissioner shall determine what individual person shall be entitled to represent such undivided family, or other association or body, or trustees, and enter his name in the list as the person qualified to vote or to be elected, in behalf of the undivided family or other association or body, or of the trustees, as the case may be.

(22) The Commissioner may adjourn the hearing of any matter under this section from time to time, so that no adjourned hearing be held after the tenth day of November.

20. In the event of the Commissioner rejecting any claim, objection or choice duly made under the last preceding section, the claimant or objector or person aggrieved may, at any time within five days after such rejection, apply to the Chief Judge of the Small Cause Court, and the said Chief Judge shall, within twenty days after receipt of such application and after such inquiry as he deems

Completion of the municipal election roll.

(2) The municipal election roll shall be divided and arranged in the same manner as the list from which it is made up. The separate ward lists, when completed, as hereinbefore provided, shall be called ward rolls. The ward rolls and the justices' roll and the fellows' roll shall collectively be deemed to constitute the municipal election roll.

(3) Every person enrolled in the municipal election roll shall be deemed to be entitled to vote at a ward election or as a justice or fellow, as the case may be, provided, in the case of a justice or a fellow, that such person be still a justice or fellow, as the case may be, at the time of the election; and every person not enrolled in the said roll shall be deemed to be not entitled so to vote.

(4) Printed copies of the municipal election roll shall be delivered to any person requiring the same, on payment of such reasonable fee for each copy as shall from time to time be prescribed by the Commissioner, with the approval of the standing committee, in this behalf.

(5) If a municipal election roll is not made in due time, the municipal election roll in operation immediately before the time appointed for its preparation shall continue in operation until the new roll is made.

(2) The corporation may, with the sanction of Government, from time to time alter the number and boundaries of the wards and re-apportion the councillors to be elected at ward elections among the wards, but not so as that any such alteration or re-apportionment shall first have effect at a ward election to fill a casual vacancy.

(3) Unless and until they are so altered or re-apportioned, the number and respective boundaries of the wards and the number of councillors to be elected for each ward shall be as specified in Schedule B.

130. Any sum entered on the expenditure side of a budget-estimate which has been adopted by the corporation shall be termed a "budget-grant."

"Budget-grant" defined.

131. (1) On the recommendation of the standing committee, the corporation may from time to time during an official year increase the amount of any budget-grant, or make an additional budget-grant for the purpose of meeting any special or unforeseen requirement arising during the said year, but not so that the estimated cash balance at the close of the year shall be reduced below one lakh of rupees.

Re-adjustment of income and expenditure to be made by the corporation during the course of the official year whenever necessary.

134. (1) If it shall at any time during any official year appear to the corporation, upon the representation of the standing committee, that, notwithstanding any reduction of budget-grants that may have been made by the standing committee under the last preceding section, the income of the municipal fund during the said year will not suffice to meet the expenditure sanctioned in the budget-estimate of the said year and to leave at the close of the year a cash balance of not less than one lakh of rupees, it shall be incumbent on the corporation to forthwith sanction any measure which shall be necessary for proportioning the year's income to the expenditure.

(2) For this purpose, the corporation may either diminish the sanctioned expenditure of the year, so far as it may be possible so to do with due regard to all the requirements of this Act, or have recourse to supplementary taxation.

(3) The auditors so appointed shall receive such reasonable remuneration, not exceeding in the whole ten thousand rupees per annum, as the corporation shall from time to time determine.

137. (1) The auditors so appointed shall forthwith report to the standing committee any material impropriety or irregularity which they may at any time observe in the expenditure or in the recovery of moneys due to the corporation or in the municipal accounts, and shall furnish to the standing committee such information as the said committee shall from time to time require concerning the progress of their audit, and shall, as soon as may be after the commencement of each official year, deliver to the standing committee a report upon the whole of the municipal accounts for the previous official year.

(3) If the Commissioner directs, under sub-section (2) of section 248, that a separate water-closet, privy or urinal need not be required for any premises, the halálkhor-tax shall, nevertheless, be levied in respect of the said premises, if, but for such direction, the same would be leviable in respect thereof.

by the Secretary of State for India in Council.

(2) The rateable value of the buildings and lands in the city vesting in Her Majesty [a] and beneficially occupied, in respect of which, but for the said exemption, general tax would be leviable from the Secretary of State for India in Council, shall be fixed by a person from time to time appointed in this behalf by the Governor in Council, with the concurrence of the corporation. The said value shall be fixed by the said person, with a general regard to the provisions hereinafter contained concerning the valuation of property assessable to property-taxes, at such amount as he shall deem to be fair and reasonable. 145. For section 36 of the Bombay Port Trust Act, 1879, the following section shall be substituted, namely :—

[Printed in Vol. II of this Code, p. 390.]

Liability for Property-taxes.

Primary responsibility for property-taxes on whom to rest.

146. (2) Property-taxes shall be leviable primarily from the actual occupier of the premises upon which the said taxes are assessed, if such occupier holds the said premises immediately from Government or from the corporation or from a fazendár.

(2) Otherwise the said taxes shall be primarily leviable as follows, namely :—

- (a) if the premises are let, from the lessor ;
- (b) if the premises are sub-let, from the superior lessor ;
- (c) if the premises are unlet, from the person in whom the right to let the same vests.

be in the occupation of the said tenant or of his legal representative, or of a sub-tenant.

147. (1) If any premises assessed to any property-tax are let, and their rateable value exceeds the amount of rent payable in respect thereof to the person from whom, under the provisions of the last preceding section, the said tax is leviable, the said person shall be entitled to receive from his tenant the difference between the amount of the property-tax levied from him and the amount which would be leviable from him if the said tax were calculated on the amount of rent payable to him.

Apportionment of responsibility for property-tax when the premises assessed are let or sub-let.

(2) If the premises are sub-let and their rateable value exceeds the amount of rent payable in respect thereof to the tenant by his sub-tenant, or the amount of rent payable in respect thereof to a sub-tenant by the person holding under him, the said tenant shall be entitled to receive from his sub-tenant or the said sub-tenant shall be entitled to receive from the person holding under him, as the case may be, the difference between any sum recovered under this section, from such tenant or sub-tenant and the amount of property-tax which would be leviable in respect of the said premises if the rateable value thereof were equal to the difference between the amount of rent which such tenant or sub-tenant receives and the amount of rent which he pays.

(3) Any person entitled to receive any sum under this section shall have, for the recovery thereof, the same rights and remedies as if such sum were rent payable to him by the person from whom he is entitled to receive the same.

148. If any person who is primarily liable for the payment of any property-tax himself pays rent to another person other than Government or the corporation in respect of the premises upon which such tax is assessed, he shall be entitled to credit in account with such other person for such sum as would be leviable on account of the said tax if the amount of the rent payable by him were the rateable value of the said premises.

Person primarily liable for property-tax entitled to credit, if he is a rent-payer.

Notice of transfer, etc., of premises assessable to Property-Taxes.

149. (1) Whenever the title of any person primarily liable for the payment of property-taxes on any premises to or over such premises is transferred, the person whose title is so transferred and the person to whom the same shall be transferred shall, within three months after execution of the instrument of transfer, or after its registration, if it be registered, or after the transfer is effected, if no instrument be executed, give notice of such transfer, in writing, to the Commissioner.

Notice to be given to the Commissioner of all transfers of title of persons primarily liable to payment of property-tax.

(Chap. VIII.—Municipal Taxation. Secs. 154-156.)

(2) Until such notice is given, the person aforesaid shall continue liable to pay every such property-tax as he would have been liable to pay in respect of such building, if the same, or any portion thereof, had not been demolished or removed.

Valuation of Property assessable to Property-taxes.

154. (1) In order to fix the rateable value of any building or land assess-
able to a property-tax, there shall be deducted from the amount of the
annual rent for which such land or building might reasonably be expected to
let from year to year a sum equal to ten per centum of the said annual rent,
and the said deduction shall be in lieu of all allowance for repairs or on any
other account whatever.

Rateable
value how
to be deter-
mined.

(2) The value of any machinery contained or situate in or upon any building or land shall not be included in the rateable value of such building or land.

155. (1) To enable him to determine the rateable value of any building or land and the person primarily liable for the payment of any property-tax leviable in respect thereof, the Commissioner may require the owner or occupier of such building or land, or of any portion thereof, to furnish him, within such reasonable period as the Commissioner prescribes in this behalf, with information, or with a written return signed by such owner or occupier,—

(b) as to the dimensions of such building or land, or of any portion thereof, and the rent, if any, obtained for such building or land, or any portion thereof.

(2) Every owner or occupier on whom any such requisition is made shall be bound to comply with the same and to give true information or to make a true return to the best of his knowledge or belief.

202. (1) If the amount of tax for which any bill has been presented as aforesaid is not paid into the municipal office within fifteen days from the presentation thereof, the Commissioner may cause to be served upon the person liable for the payment of the same a notice of demand in the form of Schedule I, or to the like effect.

(2) For every notice of demand which the Commissioner causes to be served on any person under this section, a fee of such amount not exceeding one rupee as shall in each case be fixed by the Commissioner shall be payable by the said person and shall be included in the costs of recovery.

Distress.

203. If the person liable for the payment of the said tax do not within fifteen days from the service of the notice of demand pay the sum due, or show sufficient cause for non-payment of the same to the satisfaction of the Commissioner, and if no appeal is preferred against the said tax, as hereinafter provided, such sum, with all costs of the recovery, may be levied under a warrant in the form of Schedule J, or to the like effect, to be issued by the Commissioner, by distress and sale of the goods and chattels of the defaulter, or, if the defaulter be the occupier of any premises in respect of which a pro-

perty-tax is due, by distress and sale of any goods and chattels found on the said premises.

204. The goods and chattels of any person liable for the payment of any tax, for levy of which a warrant has been issued as aforesaid, may be distrained wherever the same may be found.

Goods of defaulter may be distrained, wherever found.

205. The officer charged with the execution of a warrant of distress issued under section 203 shall forthwith make an inventory of the goods and chattels which he seizes under such warrant, and shall at the same time give a written notice, in the form of Schedule K, to the person in possession thereof at the time of seizure that the said goods and chattels will be sold as therein mentioned.

Inventory and notice of distress and sale.

206. (1) If the warrant is not in the meantime suspended by the Commissioner or discharged, the goods and chattels seized shall, after the expiry of the period named in the notice served under the last preceding section, be sold by order of the Commissioner, who shall apply the proceeds or such part thereof as shall be requisite, in discharge of the sum due and of the costs of recovery.

Sale.

(2) The surplus, if any, shall be forthwith credited to the municipal fund, but, if the same be claimed by written application to the Commissioner within one year from the date of the sale, a refund thereof shall be made to the person in possession of the goods and chattels at the time of the seizure. Any surplus not claimed within one year as aforesaid shall be the property of the corporation.

207. For every distraint made under this Act a fee shall be charged at the rate set forth in Schedule L, and the said fee shall be included in the costs of recovery.

Fees for distrains.

208. The Commissioner may, in his discretion, remit the whole or any part of any fee chargeable under the last preceding section or under subsection (2) of section 202.

Fees for cost of recovery may be remitted.

209. (1) If the sum due on account of any property-tax remains unpaid after a bill for the same has been duly presented to the person primarily liable for the payment thereof, and the said person be not the occupier for the time being of the premises in respect of which the tax is due, the Commissioner may present a bill for the amount to the occupier of the said premises, or, if there are two or more occupiers thereof, may present a bill to each of them for such portion of the sum due as bears to the whole amount due the

(Chap. VIII.—Municipal Taxation. Secs. 210-212.)

same ratio which the rent paid by such occupier bears to the aggregate amount of rent paid by them both or all in respect of the said premises.

(2) If the occupier or any of the occupiers fails within fifteen days from the presentation of any such bill to pay the amount therein claimed, the said amount may be recovered from him in accordance with the foregoing provisions.

(3) No arrear of a property-tax shall be recovered from any occupier under this section, which has remained due for more than one year or which is due on account of any period for which the occupier was not in occupation of the premises on which the tax is assessed.

(4) If any sum is paid by, or recovered from, an occupier under this section, he shall be entitled to credit therefor in account with the person primarily liable for the payment of the same.

Summary proceedings may be taken against persons about to leave the city.

210. (1) If the Commissioner shall at any time have reason to believe that any person from whom any sum is due on account of any property-tax or tax on vehicles and animals, or who would be liable for any sum on account of the tax on vehicles and animals if the current quarter had come to a close, is about forthwith to remove from the city; the Commissioner may direct the immediate payment by such person of the sum so due or about to become due by him and cause a bill for the same to be presented to him.

(2) If, on presentation of such bill, the said person do not forthwith pay the sum due or about to become due by him, the amount shall be leviable by distress and sale in the manner hereinbefore prescribed, except that it shall not be necessary to serve upon the defaulter any notice of demand, and the Commissioner's warrant for distress and sale may be issued and executed without any delay.

Defaulters may be sued for arrears, if necessary.

211. Instead of proceeding against a defaulter by distress and sale as hereinbefore provided, or after a defaulter shall have been so proceeded against unsuccessfully or with only partial success, any sum due or the balance of any sum due, as the case may be, by such defaulter, on account of a property-tax or of the tax on vehicles and animals, may be recovered from him by a suit in any Court of competent jurisdiction.

Property-taxes to be a first charge on premises on which they are assessed.

212. Property-taxes due under this Act in respect of any building or land shall, subject to the prior payment of the land-revenue, if any, due to Government thereupon, be a first charge upon the said building or land and upon the goods and chattels, if any, found within or upon such building or land and belonging to the person liable for such taxes.

213. (1) Tolls on vehicles entering the city from Salsette and town-duties— Collection of tolls and town-duties how to be effected.

(a) may be collected, under the orders of the Commissioner, by municipal officers and servants appointed in this behalf; or

(b) if the Commissioner thinks fit, may, with the approval of the standing committee, be farmed by him for any period not exceeding one year at a time or be collected by or under the orders of any person whom the Commissioner, with the approval of the standing committee appoints to be his agent for this purpose.

(2) The said tolls and town-duties shall be collected and refunds of town-duties shall be made at such places and be managed and controlled in such manner as the Commissioner, with the approval of the standing committee, shall from time to time direct.

(b) if the vehicle is empty, or the contents are of insufficient value to defray the toll, the vehicle itself.

(2) If the toll and the costs, if any, incurred on account of the seizure, remain undischarged for twenty-four hours after the seizure, the case shall be reported to the Commissioner; and the Commissioner shall forthwith issue a public notice, fixing some convenient time within three days after the date of the seizure for the sale by public auction of the property which has been seized.

(3) If at any time before the sale is commenced in accordance with such public notice the person in whose possession the property was at the time it was seized shall pay to the Commissioner a sum equal to double the amount of the toll due, together with all the expenses incurred on account of the non-payment of the toll and of the seizure and intended sale, the Commissioner shall forthwith release the property seized.

(4) If such payment is not made, the property seized shall be sold by auction in accordance with the public notice, and the proceeds shall be devoted to the discharge of the toll and of all expenses incurred on account of the non-payment of the toll and of the seizure and sale. The surplus, if any, shall be forthwith credited to the municipal fund, but, if the same be claimed by written application to the Commissioner within one year from the date of the

sale, a refund thereof shall be made to the person in whose possession the property was at the time of the seizure. Any surplus not claimed within one year as aforesaid shall be the property of the corporation.

Powers of persons authorized to collect and refund town-duties.

215. Every person authorized under section 213 to collect or to refund town-duties shall have, in respect of the collection of the said duties and of paying refunds and of the confiscation of goods in connection therewith, the same powers as are conferred by any law at the time in force on the Commissioner of Customs of Bombay and the officers subordinate to him in respect of the levy of customs-duties and of the grant of drawbacks and of the confiscation of goods in connection therewith, and shall also have the same privileges and be subject to the same liabilities in respect of anything done by him in or for the purpose of collecting or refunding town-duties as the said Commissioner of Customs and the officers subordinate to him have or are subject to under any law at the time in force relating to customs-duties.

Writing off of irrecoverable taxes.

216. The Commissioner may, with the approval of the standing committee, from time to time, write off any sum due on account of any tax or of the costs of recovering any tax which shall, in his opinion, be irrecoverable.

Municipal Drains.

220. All drains belonging to the corporation—which in this Act are referred to as “municipal drains”—shall be under the control of the Commissioner.

Municipal drains to be under the control of the Commissioner.

221. The Commissioner shall maintain and keep in repair all municipal drains and, when authorized by the corporation in this behalf, shall construct such new drains as shall from time to time be necessary for effectually draining the city.

222. (1) The Commissioner may carry any municipal drain through, across or under any street, or any place laid out as or intended for a street, or under any cellar or vault which may be under any street, and, after giving reasonable notice in writing to the owner or occupier, into, through or under any land whatsoever within the city, or, for the purpose of outfall or distribution of sewage, without the city.

(2) The Commissioner may enter upon, and construct any new drain in the place of an existing drain in, any land wherein any municipal drain has been already lawfully constructed, or repair or alter any municipal drain so constructed.

(3) In the exercise of any power under this section, as little damage as can be shall be done, and compensation shall be paid by the Commissioner to any person who sustains damage by the exercise of such power.

223. (1) Without the written permission of the Commissioner, no building, wall or other structure shall be newly erected, and no street or railway shall be constructed, over any municipal drain.

(2) If any building, wall or other structure be so erected, or any street or railway be so constructed, the Commissioner may, with the approval of the standing committee, remove or otherwise deal with the same as he shall think fit, and the expenses thereby incurred shall be paid by the person offending.

Alteration
and discon-
tinuance of
drains.

224. (1) The Commissioner may enlarge, arch over or otherwise improve any municipal drain, and may discontinue, close up or destroy any such drain which has, in his opinion, become useless or unnecessary :

(2) Provided that the discontinuance, closing up or destruction of any drain shall be so done as to create the least practicable nuisance or inconvenience to any person, and, if by reason of anything done under this section any person is deprived of the lawful use of any drain, the Commissioner shall, as soon as may be, provide for his use some other drain as effectual as the one which has been discontinued, closed up or destroyed.

Cleansing
drains.

225. (1) The municipal drains shall be so constructed, maintained and kept as to create the least practicable nuisance and shall be from time to time properly flushed, cleansed and emptied.

(2) For the purpose of flushing, cleansing and emptying the said drains, the Commissioner may, when authorized by the corporation in this behalf, construct or set up such reservoirs, sluices, engines and other works as he shall from time to time deem necessary.

226. (1) Every drain in, alongside or under any street which has been or shall be constructed, whether at the cost of the municipal fund or not, for the sole use and benefit of, or which shall be continued for the sole use and benefit of, any premises adjoining or near to such street, shall be maintained and from time to time repaired, flushed, cleansed and emptied by the owner or occupier of the said premises.

Maintenance of drains kept up for the benefit of certain premises only.

(2) The Commissioner may, by written notice, require the owner or occupier of the said premises to repair, flush, cleanse, empty or, with the approval of the standing committee, to take such other order with any such drain as the Commissioner shall deem necessary.

Drains of Private Streets and Drainage of Premises.

227. The owner of a private street shall be entitled to connect the drain of such street with a municipal drain, subject to the following conditions, namely :—

Power to connect drains of private streets with municipal drains.

(a) Before commencing to construct such drain the owner of the street shall submit to the Commissioner a plan of the street, bearing the signature of a licensed surveyor in token of its having been made by him or under his supervision, and drawn to such a convenient scale as the Commissioner shall require, and there shall be shown on such plan the position, course and dimensions of the proposed drain, with a section or sections thereof, and such other particulars in relation thereto as the Commissioner shall deem necessary and require, and no such drain shall be proceeded with without the approval in writing or contrary to the directions of the Commissioner.

(b) The drain of such private street shall, at the expense of the owner of the street, be constructed of such size, material and description and be branched into the municipal drain in such manner and form of communication in all respects, as the Commissioner, with the approval of the standing committee, shall direct.

(c) The Commissioner may, if he thinks fit, construct such part of such drain and such part of the work necessary for branching the same into the municipal drain as shall be in or under any public street or place vesting in the corporation and, in such case, the expenses incurred by the Commissioner shall be paid by the owner of the private street.

228. The owner or occupier of any premises shall be entitled to cause his drain to empty into a municipal drain, provided that he first obtains the written permission of the Commissioner and that he complies with such conditions as the Commissioner prescribes as to the mode in which and the

Rights of owners and occupiers of premises to carry drains through land belonging to other persons.

230. (1) If it shall appear to the Commissioner that the only means or the most convenient means, by which the owner or occupier of any premises can cause his drain to empty into a municipal drain, is by carrying the same into, through or under any land belonging to some person other than the said owner or occupier, the Commissioner, after giving to the owner of the land a reasonable opportunity of stating any objection, may, with the approval of the standing committee, if no objection is raised, or if any objection which is raised appears to him invalid or insufficient, by an order in writing, authorize the said owner or occupier to carry his drain into, through or under the said land in such manner as he shall think fit to allow.

(2) Every such order, bearing the signature of the Commissioner, shall be a complete authority to the person in whose favour it is made, or to any agent or person employed by him for this purpose, after giving to the owner of the land reasonable written notice of his intention so to do, to enter upon the said land with assistants and workmen, at any time between sunrise and sunset, and to execute the necessary work.

(3) Subject to all other provisions of this Act, the owner or occupier of any premises, or any agent or person employed by him for this purpose, may, after giving to the owner of any land, wherein a drain has been already lawfully constructed for the drainage of his said premises, reasonable written notice of his intention so to do, enter upon the said land with assistants and workmen, at any time between sunrise and sunset, and construct a new drain in the place of the existing drain or repair or alter any drain so constructed.

(4) In executing any work under this section, as little damage as can be shall be done, and the owner or occupier of premises by whom or in whose behalf the work is done shall—

(a) cause the work to be executed with the least practicable delay ;

(b) fill in, re-instate and make good, at his own cost and with the least practicable delay, the ground or portion of any building or other construction opened, broken up or removed for the purpose of executing the said work;

(c) pay compensation to any person who sustains damage by the execution of the said work.

(5) If the owner of any land, into, through or under which a drain has been carried under this section, whilst such land was unbuilt upon, shall, at any time afterwards, desire to erect a building on such land, the Commissioner shall, with the approval of the standing committee, by written notice, require the owner or occupier of the premises for the benefit of which such drain was constructed to close, remove or divert the same in such manner as shall be approved by the said committee, and to fill in, re-instate and make good the land as if the drain had not been carried into, through or under the same: Provided that no such requisition shall be made, unless, in the opinion of the standing committee, it is necessary or expedient, in order to admit of the construction of the proposed building or the safe enjoyment thereof, that the drain be closed, removed or diverted.

231. Where any premises are, in the opinion of the Commissioner, without sufficient means of effectual drainage and a municipal drain or some place legally set apart for the discharge of drainage is situated at a distance not exceeding one hundred feet from some part of the said premises, the Commissioner may, by written notice, require the owner or occupier of the said premises—

Commissioner may enforce drainage of undrained premises situate within a hundred feet of a municipal drain.

(a) to make a drain of such material, size and description and laid at such level and with such fall and outlet as may appear to the Commissioner necessary, emptying into such municipal drain or place aforesaid;

(c) to remove any existing drain, or other appliance or thing used or intended to be used for drainage, which is injurious to health.

232. (1) Where any premises are, in the opinion of the Commissioner, without sufficient means of effectual drainage, but no municipal drain or such place as aforesaid is situated at a distance not exceeding one hundred feet

premises not situate within a hundred feet of a municipal drain.

from some part of the said premises, the Commissioner may, by written notice, require the owner or occupier of the said premises to make a drain emptying into a covered cesspool.

(2) And the Commissioner may in like manner require any such drain and, if no suitable cesspool already exists, any such cesspool to be of such materials, size and description, and to be made at such level and with allowance for such fall, as may appear to him to be necessary.

Commissioner may close or limit the use of existing private drains.

233. (1) Where a drain connecting any premises with a municipal drain is sufficient for the effectual drainage of the said premises and is otherwise unobjectionable, but is not, in the opinion of the Commissioner, adapted to the general drainage system of the city, the Commissioner, with the approval of the standing committee, may—

(a) subject to the provision of sub-section (2), close, discontinue or destroy the said drain and cause any work necessary for that purpose to be done;

(b) direct that the said drain shall, from such date as he prescribes in this behalf, be used for sullage, excrementitious matter and polluted water only or for rain-water and unpolluted subsoil water only, and, by written notice, require the owner or occupier of the premises to make a new and entirely distinct drain for rain-water and unpolluted subsoil water or for sullage, excrementitious matter and polluted water, as the case may be.

(2) No drain may be closed, discontinued or destroyed by the Commissioner under clause (a), except on condition of his providing another drain as effectual for the drainage of the premises and communicating with any municipal drain which the Commissioner thinks fit; and the expenses of the construction of any drain so provided by the Commissioner and of any work one under clause (a) shall be paid by the Commissioner.

(3) Any requisition made by the Commissioner under clause (b) may embrace any detail specified in clause (a) or clause (b) of section 231.

New buildings not to be erected without drains.

234. (1) It shall not be lawful newly to erect any building, or to rebuild any building, or to occupy any building newly erected or rebuilt, unless and until—

(a) a drain be constructed, of such size, materials and description, at such level and with such fall, as shall appear to the Commissioner to be necessary for the effectual drainage of such building;

(b) there have been provided for and set up in such building and in the premises appurtenant thereto, all such appliances and fittings as

(Chap. IX.—Drains and Drainage-works. Secs. 235-238.)

may appeal to the Commissioner to be necessary for the purposes of gathering and receiving the drainage from, and conveying the same off, the said building and the said premises, and of effectually flushing the drain of the said building and every fixture connected therewith.

(2) The drain to be constructed as aforesaid shall empty into a municipal drain or into some place legally set apart for the discharge of drainage, situated at a distance not exceeding one hundred feet from such building; but if no such drain or place is within that distance, then such drain shall empty into such cesspool as the Commissioner directs.

235. No person shall, except with the permission of the Commissioner, pass or cause or permit to be passed any excrementitious matter into any cesspool made or used under section 232 or section 234, or into any drain communicating with any such cesspool.

Excrementitious matter not to be passed into cesspool.

How right of use or joint ownership of a drain may be obtained by a person other than the owner.

238. (1) On receipt of any such application, the Commissioner, after giving the owner of the drain a reasonable opportunity of stating any objection thereto, may, with the approval of the standing committee, if no objection is raised or if any objection which is raised appears to him invalid or insufficient, by an order in writing, either authorize the applicant to use the drain or declare him to be a joint owner thereof, on such conditions as to the payment of rent or compensation and as to connecting the drain of the applicant with the drain to which his application refers and as to the respective responsibilities of the parties for maintaining, repairing, flushing, cleaning and emptying the joint drain, or otherwise, as may appear to him equitable.

Commissioner may authorize person other than the owner of a drain to use the same or declare him to be a joint owner thereof.

(2) Every such order bearing the signature of the Commissioner shall be a complete authority to the person in whose favour it is made, or to any agent or person employed by him for this purpose, after giving or tendering to the owner of the drain the compensation or rent specified in the said order and otherwise fulfilling, as far as possible, the conditions of the said order, and

Drains not to pass beneath buildings.

240. Except with the written permission of the Commissioner, and in conformity with such conditions as shall be prescribed by the standing committee, either generally or specially, in this behalf, no drain shall be so-constructed as to pass beneath any part of a building.

(2) Every alteration required to be made under sub-section (1) shall be made at the charge of the municipal fund and compensation shall be paid to the owner by the Commissioner for the damage, if any, which he sustains by reason of such alteration :

(3) Provided that no such alteration shall be made which will prevent gas passing through any pipe or work as freely and conveniently as, having regard to all the requirements of this Act, is practicable.

Buildings, etc., not to be erected without.

335. (1) Without the written permission of the Commissioner, no building, wall or other structure shall be newly erected and no street or railway shall be constructed over any gas-pipe belonging to the corporation.

Provisions as to Structure, Materials, etc.

348. (1) With respect to buildings which are to be newly erected on any site previously unbuilt upon, the following provisions shall have effect, namely :—

(b) The erection of any such building in any part of the city in which the position and direction of the streets likely to be required in the future have not yet been laid down or determined shall, with the assent of the standing committee, be disapproved by the Commissioner, unless the site proposed for such building is, in the opinion of the Commissioner, such as, with reference to the positions occupied by the buildings, if any, already existing in the neighbourhood, will admit of the construction in the future of one or more new streets convenient for the occupiers of all the buildings in the neighbourhood and for the purposes of drainage, water-supply and ventilation: Provided that any person whose building is so disapproved may, by written notice to the Commissioner, require that the position and direction of the future streets in the vicinity of his intended building be forthwith laid down and determined, and, if such

requisition be not complied with within six months from the date thereof, may, subject to all other provisions of this Act applicable thereto, proceed with the erection of his building.

(ii) with such and so many privies, latrines or urinals and such means of drainage as the Commissioner deems necessary ; and

(iii) at such a level as will suffice for the means of drainage required by the Commissioner.

(2) Nothing in clause (a) shall be deemed to affect the power of Government to determine, under section 38 of the Bombay Port Trust Act, 1879 [a], any dispute which arises between the Trustees of the Port of Bombay and the Commissioner as to whether any road within the limits of the property of the said trustees has been duly levelled, metalled or paved, sewered and drained.

the Commissioner may, with the approval of the standing committee, by written notice, require the person who has erected such building or executed such work or is erecting such building or executing such work to cause so much of the building or work as prevents any such fact being ascertained to be cut into, laid open or pulled down to a sufficient extent to permit of the same being ascertained.

(2) If it shall thereupon be found that in the erection of such building or the execution of such work nothing has been done contrary to any provision of this Act or of any bye-law made under this Act at the time in force, and that nothing required by any such provision or bye-law to be done has been omitted to be done, compensation shall be paid by the Commissioner to the person
